The Ultimate in Comfort & Convenience

Superbly positioned on Pattaya's vibrant 3rd Road and soaring 47 storeys into the azure, Arcadia Millennium Tower is an iconic new landmark in the evolution of the city's skyline. This prime location offers the ultimate in convenience, with all major amenities, attractions and transport links in easy reach. The project is just a short walk from major supermarkets and shopping malls, only minutes' drive from the resort beaches of Pratumnak, Jomtien and Naklua, and sits just 120km from Bangkok's Suvarnabhumi International Airport – one of the largest passenger hubs in Asia.

Sky-High Serenity

The latest super-project from the internationally-acclaimed Arcadia development team, Arcadia Millennium Tower boasts breath-taking 360-degree panoramas of downtown Pattaya, Pattaya Bay, Koh Lan Island and the Gulf of Siam. These unparalleled views can be appreciated fully from the enormous 31st floor infinity pool, as well as from the rooftop sky pool & bar – one of the highest points of elevation in Central Pattaya. Additional, first-class development amenities include a spectacular hotel-style lobby ascending 12 meters high, sky-high fitness club & Zen Yoga relaxation zones, lush botanical gardens with open-air barbeque areas, an array of sports & leisure amenities, spa & sauna, commercial area with gourmet restaurant and much more.

At the Pinnacle of Luxury

Arcadia Millennium Tower features a diverse range of luxurious residential suites with something to cater for every prospective buyer. From the entry-level 1 bedroom suites to the VIP 2 bedroom oceanfront apartments and unique top floor penthouses complete with private Jacuzzis and oversize balconies, all units are designed firmly with the resident in mind with space optimisation and functionality paramount, whilst allowing one to fully appreciate the stunning vistas of the Pattaya Bay metropolis and ocean beyond.
